Dear Valued Chamber Member:

It is that time of year, once again! The Three Rivers Area Chamber of Commerce Ambassador Committee has started planning for your next Annual Dinner. This event is designed each year so that we may gather together and celebrate the various accomplishments of members and businesses within our community.

The date of this year's event will be Wednesday, September 29th, 2010. The success of our event is made possible through the generous sponsorship support from chamber members, *such as yourself*. Sponsorships help to underwrite a portion of the expenses that we incur at the evening's celebration and enable the Chamber to maintain a modest cost per participant.

"*Business Olympics*", the theme of this year's event will present a fun arena to recognize all of our members and to specifically recognize our *Platinum, Gold, Silver, and Bronze Recipients* (Sponsors). Once again this year, all sponsors are asked to please e-mail your company logo to the chamber office.

Space is limited...don't become disqualified from the games!

Sponsors may select one of four sponsorship levels listed below. This form and sponsorship donations can be sent to the chamber office, ATTN: Annual Dinner Committee, 57 N. Main Street, Three Rivers, MI 49093. Please make your check payable to TRACC.

Sponsorships must be received no later than August 31st, 2009. Please e-mail high resolution logo's in .jpg format to the chamber office at info@trchamber.com.

Any questions can be directed to Ben Harrison at 269-435-3455.

With much appreciation,
The TRACC Ambassador Committee,
